Continuation of 4(e) Other: Although the applicants made a proper election between inventions I, II and II, in response to the Election/Restriction requirement mailed on October 4, 2005, they fail to elect between the claims of sub-species D (claim 21 and claim 22) and E (claim 24 and claim 25) of invention I. This is believed to be an inadvertent oversight in the part of the applicants. Appropriate election between the claims of sub-species D and E is required..
